**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because AT&T was, in my experience, the worse company I had ever dealt with.

I strongly oppose price hikes that will increase the cost of internet and telephone services (AT&T charged me three times what Sonic is charging me and its services were nonexistent).

Broadband is absolutely critical to both my home and my school (City College of San Francisco). I also have competitive telephone service, again, because AT&T proved to be so awful.
